

NEWSLETTER SOLHÖJDEN SEPTEMBER 2016

SEWAGE PIPE CARE

After the maintenance flushing of our sewage pipes we'd like to remind you to be mindful what goes into the pipes to avoid blocked pipes in the future and for the warranty of the flushing to be valid.

Grease shall not go into the pipes. Wipe pans before cleaning and put larger amounts in a container in the household garbage instead. Agents for unblocking pipes (e.g. caustic soda) are not allowed. It will stick to the inside of the pipes and give more problems than it solves.

BIKE ROOM CLEAN OUT

We will be cleaning out unused bikes and baby carriages to make more space in our rooms. Objects currently in the rooms will be marked and anything that is still marked by the 30:th of September will be removed. The removed items can be retrieved until the end of the year. Anything remaining after that will be sold or thrown away.

Please note that these rooms are meant for parking bikes and baby carriages that are used regularly. For long term storage, use your basement storage area. Due to this, we will also remove anything that is obviously not in a usable state, regardless of markings.

GARAGE PASSAGE

Please use the normal doors for walking in and out of the garage to reduce wear on the car gates.

PARKING NEAR THE HOUSES

We would again like to remind everyone that parking is only allowed on the marked spaces. It is not allowed to leave your car on the grass areas. As this has become a problem, we will start reporting wrongly parked cars to Q-Park to have them fined. It is of course perfectly fine to drive up to the houses for loading and unloading, but please use the flagstones in front of the house instead of wearing down the grass.

BARBECUE

On the **9:th of October at 14:00** we invite you to join us for barbecue. We're offering coffee, tea, cookies, and hot dogs. This is an opportunity both to get to know you neighbours and to meet us in the board.

For us to know how many will attend, we would like everyone who's interested to register at <http://www.brfsolhojden.se/bbq> before the 2:nd of October.
